

Paying your *rent* just got a lot easier with *Interac Email Money Transfers!*

E-mail Money Transfer is an easy, fast and secure way to pay your rent each month. It allows you to securely email your rental payments directly from your bank to the CRC Self Help.

It can also save you both time and money *and* not to mention the hassle of making sure your rental payment is received by us on time.

The *interac money transfer* service is available through any Canadian Financial Institute.

Our interac money transfer email address is:

rental.payments@crcselfhelp.ca

Email Money Transfers are:

Easy: It's as easy as sending an email. All you need to know is the email address of CRC Self Help to email the money transfer.

Fast: An email message alerts us that you have sent us a money transfer and the funds are ready for us to pick-up.

Interac money transfers take place instantly so there's no waiting for a cheque to clear your bank.

Secure: The *interac money transfer* takes place with the same level of security and confidentiality as every other banking transaction that you make, so you need not worry about your rental payment being lost or anyone knowing your account information.

How it works:

Through your on-line banking website you will need to set up CRC Self Help as a payee on your recipients list.

Then each month, to pay your rent all you need to do is select the *Interac Email Money Transfer* option and follow the instructions on the screen; you will need to provide us with a secret question .i.e. "*where do you live*" – it's that easy!

(As a precaution and for your records you should print and keep a copy of the transaction.)

An email will then be automatically sent to CRC Self Help informing us of your rental payment. Upon receipt of your email *interac money transfer* we will issue a receipt in the amount of your rental payment.

Your housing worker will give you this receipt.

And remember that should you encounter any difficulty please contact your bank or your housing worker.
